An apology from our President

Dear CFA members

I apologise for the need to postpone the June Churchill Chat, it was a great disappointment to us that unfortunate circumstances re the venue necessitated such action.

We do hope to try again in October and hope the same speakers will be available.

We will contact you with further details closer to the time.

Thank you again for your support and understanding

Wilma Davidson

Can you help??

The ACT CFA website is badly in need of updating on a regular basis as news and information that is of interest to all of us comes along.

Currently your CFA committee has no members that have webpage editing skills.

If you have such skills could you spend a little time updating the website by with information provided by the committee once every three or four months.

This would be hugely helpful and much appreciated!

Please contact Wilma on wilma2010@live.com.au for more information and to offer your services.

2010 Churchill Fellows National Convention Melbourne

In 2002 the ACT Churchill Fellows Association hosted the highly successful inaugural Churchill Fellows Convention. This is now a bi-annual event and a wonderful opportunity to link with Fellows from all over Australia, see the inspiring work of Fellows and enjoy a most memorable weekend.
